Locations:

Headquarters is at the Penticton Yacht Club, 293 Marina Way, Penticton BC. This is the Okanagan Lake Marina. You will depart and bring the boat back to new docks we have installed near the boat launch (the former location of the Casabella Princess Paddlewheel. For your convenience, this is right at the entrance to the marina and very easy to get in/out of.

*At least 3 boats will be made available at this location.

Our secondary location will be at Skaha Lake Marina and we will operate from a berth next to the fuel dock. The address is 3895 Skaha Lake Rd.

*At least 1 boat will be made available at this location and we are working on adding another Surf Boat.

We are also offering pick-up and drop off at Summerland Waterfront Resort at 13011 Lakeshore Drive South, in lower Summerland.

*At least 3 boats will be made available at this location.

Requirements:

25 Years of Age
Must obtain a BC Boater's Licence (Pleasure Craft Operator's Card)

*We may waive the 25 year requirement for the secondary member provided they are an experienced boater.

How It Works:

1. Book your boat and water reservation time slot on the Boat Cloud app (5 boats x 3 times per day = 15 available openings per day, 105 openings per week!).
2. Show up to the boat, clean, fueled, un-tarped and ready to go.
3. Bring it back at the end of your reservation and we'll clean it, fuel it up and have it ready for the next member.

What Else Do I Need to Know:

- We will provide as many orientations as you need to be comfortable on each boat. No previous experience driving a boat is required. This includes towing a tube, setting up a surf wave and the basics in learning to wake surf.
- This is an exclusive club where the amount of booking openings is high (105 per week) and the member to boat ratio is low. As such, you can expect plenty of availability. The usage is unlimited for all memberships.
- The Admiral's Tier membership will be able to book further in advance and hold more reservations than the Captain's. If you want to get the majority of days/times that you want, choose the Admiral's. If you are very flexible with your times, select the Captain's.
- You will be required to sign a membership agreement, inclusive of terms & conditions and a waiver.
- Major damage is covered by insurance, which a member would be responsible for the deductible. Minor damage will be assessed and is the responsibility of the member.

We're looking forward to getting you on the lake!
